IN FORMER GAME

Richmond High Put Up a
Stubborn Battle
Throughout

The honor of Spaulding was upheld in great style by the boys' second and girls' varsity basketball teams last night in two splendid games at the local gym. The boys won their battle with the Richmond high five, 23 to 19, and the girls defeated the Montpelier Community house quintet 19 to 8.

The second team-Richmond battle was a corker despite the fact that the visitors were unused and were expected to give no trouble. Spaulding was the superior team but Richmond had two of the best players on the floor. The Barre boys passed and played a defensive that was a caution but were weak on shooting despite the fact that eight tallies were made from the floor. Alms, the flashy Spaulding right forward, did the heavy scoring from the floor for his team, making three perfect ones, while O'Keefe fattened the verdict with seven free tries. For Richmond E. Edwards and Parent started and they also played a better all around game than any other man on the floor. Edwards was great on long dribbles but had little success with them as he ran too fast for his taps and consequently was repeatedly called for technical fouls. Parent also did good dribbling but Richmond lacked team work. However, Spaulding didn't save the game on the ice until the middle of the second half and the first half ended with Richmond in the lead 8 to 7. Johnson refereed the game and acquitted himself admirably. The summary:

In the girls' game the scoring was light as both teams played practically an entire defensive game. And both ended almost airtight defensive. How-

Miss R. Crawford Tells How Cuticura Healed Eczema

"Eczema broke out in small pimples under my arms, back of my ears and on my fingers. It became itchy and burned and formed white blisters, which broke and left the affected parts sore. I used several salves and ointments which gave no relief. I was advised by a friend to use Cuticura Soap and Ointment which I did, and after using three cakes of Cuticura Soap and two boxes of Cuticura Ointment I was completely healed." SPAULDING LOST 15 TO 29

Put Up a Good Game

High

GOOD DEFENSE
WAS EXHIBITED

But Granite City Boys Did
Not Have Scoring
Punch

Burlington, Feb. 4.—The Burlington high school five defeated Spaulding high at the armory last evening, 29 to 15.

The Granite City boys put up the best defense seen in a game against B. H. S. this season. The local team did not play up to its standard, but Barre put up a splendid fight.

During the first half "Leaky" Chase and "Mike" Katz played exceptionally well for B. H. S. and Nicora of Barre corralled the ball from the center of the floor several times and received an ovation from the spectators. The score at the end of the first period was 14 to 11 in favor of B. H. S.

The local team's work improved in the final period, Chase distinguished himself again and again.

The Spaulding team is especially strong on the defense and it is probable that they will put up an equally stiff fight against Cathedral. The lineup:

Tierney, rf.	rf, Isham (capt.)
Burke, lf.	lf, Chase
Nicora, c.	c, Prentiss
Slayton (capt.), rg.	rg, Katz
O'Leary, lg.	lg, Rane
Referee, Garvin; timers, Simpson	
and Curtis.

Several Prominent Merchants Have
Been Victimized by Worthless
Paper.

Berlin, Feb. 3.—Another issue of United States Confederate money, in \$10 bills has been put on the market in Germany, and several prominent merchant have been victimized to the in smaller amounts.

A few months ago the Confederate money, suspiciously bright and clean, was passed quietly round to unsuspecting shopkeepers and to even a few visiting Americans who displayed carelessness in making change. At that time a warning was issued by the banks and the newspapers advised readers to use discretion.

The latest known victim is a merchant who sold a bill of goods for \$900 in cash and accepted the Confederate currency. He appealed to the American association of commerce and trade in Berlin.

The association, as a result of these raids on German marks and German goods by the Confederate money vendors, has issued a warning to its clients, declaring "the only way to avoid such losses is to effect all payments for goods through a bank, especially where foreign currency comes into question."

German merchants recently also have been accepting counterfeit German marks, many of which are still in circulation although the police succeeded in capturing the counterfeiters.

DASHED POISON CUP FROM YOUNG MAN'S LIPS

Police at North Bergen, N. J., Attribute
Suicide Attempt to Separation
from His Lady Love.

North Bergen, N. J., Feb. 3.—Police, who arrested Ralph Ballard last night when he attempted to drink poison, attributed his despair to efforts by his teachers to prevent his love for Grace Furbish from interfering with their studies at the Beulah Heights mission.

Ballard, a Philadelphia, and Miss Furbish, whose home is in Maine, were classmates at the mission, where lead-

ers of the Holy Rollers sect are trained, but the faculty put them in separate classes.

And Didn't Like.

A war lesson and its sequel

In war-ridden Europe, where ordinary fats were not to be had at any price, Nature came to the rescue, and margarin made from pure vegetable oils saved countless thousands of lives.

Here at home, millions of patriotic Americans learned the wholesome nourishment of margarin, and have naturally continued a delightful habit.

For once you try Kingnut on toast or griddle cakes, you would never think of giving it up, even if it were not such a great economy. It is delicious, pure, and high in calories; fine in texture, and always uniform.

If you could see the spotless kitchens in which Kingnut is made, it would add to your delight in its taste. Pure vegetable oils and pasteurized milk—that is Kingnut. Order a trial package today.
